

# Gut Busting Parasites by Cocoa Fresh

## Aliens Inside of Us

By Yo'ela The Medicine Woman

You have parasites. Some are good and some are bad. It's practically impossible to not come in contact with them. Parasites are everywhere—doorknobs, keyboards, restrooms, shopping carts, shaking people's hands, fingernails, water, air, food, pets, walking barefoot but mainly from Pork and Seafood. Once they are in you, they multiply like crazy.

Roundworms can lay a million eggs in one day! Tapeworms can grow to be 60 feet long. Single-celled amoebas can start digesting the brain and other organs. No one is totally immune, not even the healthiest people alive. Everyone should do a parasite cleanse at least once a year. Parasites sometimes eat more of your food than you! Then they poop it into your bloodstream, lungs, organs, making you sick. Parasites could be the actual cause of most mysterious illnesses. Tired a lot?

Not feeling quite right? Craving foods you KNOW are bad for you? Irritable? Cramps? hungry all the time? Sore stiff joints? Breathing problems? Itching? Memory cloudy? Guess who's probably causing it! Parasites can be the culprit behind almost every medical condition known. Our bodies are veritable breeding grounds for bacteria, yeast, mold, fungus, viruses and parasites. You may think you're clean on the outside. But wait till you see what's inside you! Not everyone will see parasites in the toilet, these things are microscopic and and not everyone is infested.

## Ingredients

By Yo'ela The Medicine Woman

**Black Walnut Hull** - This is one of the MOST POWERFUL tools in the parasite-killing herb kingdom. It is most effective against roundworms, hookworms, whipworms and pinworms. Wormwood the primary components that kill parasites.

**Diatomaceous Earth** - Food grade version used to act as a parasite shredder. Diatoms act like glass passing over skin, cutting the fragile flesh of all living adult parasites on contact. (without harming human).

**Clove** - Cloves contains the most powerful germicidal agent in the herbal kingdom known as eugenol. It also contains caryophyllene which is powerful antimicrobial agents. These components travel parasitic larvae and eggs.

**Wormwood** - Have been used traditionally as a blood cleanser due to their antiviral, antifungal, antiparasitic, and antiseptic qualities. This

**Neem** - Have been used traditionally as a blood cleanser due to their antiviral, antifungal, antiparasitic, and antiseptic qualities. Also used as a birth control.

## Dosage

Take one TSP a day before lunch

First day - 1 TSP

2nd day - 3 TSP

3rd day - 6 TSP

4th day - 10 TSP

If on food, 5 TSP if on total liquid cleanse days. 5 to 90- 10 TSP, 1 day of rest per week STAY ON. THIS FOR 3 MONTHS!!! Adult parasites leave eggs behind when they die. It takes time to rid your body of all stages. Take probiotics at the end of the day because Gut Buster is powerful and knocks out everything. Take some sort of fiber during cleanse, also colon cleansing is recommended to flush out the dead parasites like Psyllium Husk. Do NOT feed the parasites! This means NO bread, pasta, sugar, dairy, meat, sushi, cereal, baked, processed or fast foods. Scrub your hands, keep fingernails clean, wash, all produce, pet owners wear slippers, practice impeccable hygiene. For extra cleansing - eat LOTS of Garlic! It's the world's oldest anti-parasite killer. Take enzymes containing large amounts of Protease (which digests protein and parasites, bacteria and viruses are protein) Household herbs: Nutmeg, Bay Leaves. and Cloves contain Eugenol, a powerful killer of parasite larva and eggs. Turmeric - anti-inflammatory wound healing worm-expelling body purifier-and if you are up to it, do an 8 day juice fast like the Master Cleanse. (not necessary, but REALLY helps clean you out and detox) Do not take if pregnant or nursing Note: Couples should both do a parasite cleanse at the same time otherwise they just reinfect each other.

## Drink Lots of Water
